Start: Wankbahn base terminal

Finish: Wankbahn top terminal

This tour starts from the base terminal of the Wankbahn lifts. Heading towards to Wallfahrtskirche St. Anton Church of Pilgrimage, the trail leads up to the panorama mountain. After the church, follow the path in the direction of the Gams Hut. After passing the Josefsbichl wayside cross, keep to the left of the Schalmeschlucht Gorge and walk uphill to the Gams Hut. The trail leads from there to the Ecken Hut and on to the middle station of the Wankbahn lifts. You can reach the summit from here either comfortably with the cable car, or on foot.

Note

A shortcut is possible: start your mountain ascent from the middle station of the Wankbahn.
